

FAST START

from Empower Development

The complete technical training solution
for new insurance professionals

Fast Start is the only training programme combining hands-on learning and self-directed study to teach technical skills to new insurance professionals.

- Build your technical insurance skills and knowledge in a supportive and engaging environment
- Connect with like-minded people at the same stage of their career
- Pace your learning over weeks and months, covering what you need to know, when you need to know it
- Regularly connect with professionals who can answer your questions and support your learning
- Build confidence in your role as you undergo a variety of exercises designed to test your knowledge via simulations and team building activities
- Make new friends!
