

# FAST START

## from Empower Development

The complete technical training solution for new insurance professionals

Fast Start is the only training programme combining hands-on learning and self-directed study to teach technical skills to new insurance professionals.

- Build your technical insurance skills and knowledge in a supportive and engaging environment
- Connect with like-minded people at the same stage of their career
- Pace your learning over weeks and months, covering what you need to know, when you need to know it
- Regularly connect with professionals who can answer your questions and support your learning
- Build confidence in your role as you undergo a variety of exercises designed to test your knowledge via simulations and team building activities
- Make new friends and build your network

**EMPOWER**  
DEVELOPMENT

[www.empowerdevelopment.co.uk](http://www.empowerdevelopment.co.uk)

This programme consists of **30 hours of technical skills training**, following a tailored industry syllabus delivered over **10 months**. There are an additional **18 hours of on-demand study**, to complete at your own pace, and a further **5 hours of collaboration workshops**.

Our blended learning approach makes the work enjoyable and easy to fit around your existing commitments. No gruelling schedule or difficult tests – just fun, practical activities that help build the foundation of a successful career in insurance.
